1. Identification, Campus Access, and Conduct

Students must carry a Northstar identification card and present it to authorized officials when reasonably requested. Cards are personal and may not be lent. Replacement costs \$25, except the first replacement after a documented theft is free.

Academic buildings are normally open from 7:00 a.m. to 10:00 p.m. Residence halls require card access at all times. Specialized laboratories and the Library follow their own access rules.

Threats, harassment, theft, vandalism, dangerous weapons, and disruption of University activity are prohibited. Academic misconduct is handled under the Academic Integrity Policy.

- Standard replacement card: \$25.
- Documented theft: first replacement free.
- Specialized facilities may have separate access rules.

2. Health, Counseling, and Emergency Support

For immediate danger call 911 and Campus Safety at 555-2111. The Dean of Students can coordinate academic notices during a serious illness but does not excuse course requirements.

Students seeking disability-related academic adjustments contact Accessibility Services. Accommodations begin after approval and generally are not retroactive.

- Student Health: weekdays, 8:00 a.m.-5:00 p.m.
- Campus Safety: 24 hours.
- Emergency: 911 and 555-2111.

3. Withdrawal and Tuition Refunds

A student withdrawing from all courses submits the online withdrawal form. Telling an instructor or stopping attendance is not official withdrawal. The recorded date is when the Registrar receives a complete form.

Tuition is refunded at 100 percent through the add deadline, 75 percent during the following week, 50 percent during the third week, and 25 percent during the fourth week. No tuition refund is made after the fourth week. Fees may follow different schedules.

Admission-deposit refunds and financial-aid returns use separate rules. A withdrawal can create a balance even when a tuition refund is issued.

Withdrawal timing	Tuition refund
Through add deadline	100%
Following week	75%
Third week	50%
Fourth week	25%
After fourth week	0%
